- ❖ Riverside OR is located on the 3rd Floor, East Building
- ❖ Grand Rounds, Friday mornings from 7:00-8:00, VAMC, Main Auditorium
- ❖ Wednesday evening conferences, 5:00 p.m.
- ❖ Please see resident for information on daily rounding

Site location: **Veteran Affairs Medical Center**

UROL 7200 students: As this is a two-week rotation, your role will be to observe and ask questions in clinic and in the OR.

UROL 7500 students: This is a Sub-internship. You will be expected to see patients on rounds and in clinic, enter notes in CPRS and have them co-signed by resident or staff. You will present patients from clinic to the staff in clinic. If there are two UROL 7200 students on rotation, then the Chief Resident will give you a daily clinic/OR assignment. If there is one UROL 7200 student, then you will follow the schedule below.

	WEEK 1*	WEEK 2
Monday	Cystos (Dr Schwartz) or Main OR (Fernandes)	Clinic (Anderson)
<u>Tuesday</u>	Clinic (Schwartz)	Cystos (Dr Billups) or Main OR (Anderson)
Wednesday	Endo Cases (Schwartz)	Clinic (Fernandes)
Thursday	Clinic (Billups)	Cystos (Dr Fernandes) or OR (Slaton – Schwartz- possible brachytherapy)
Friday	Clinic impotence (Billups)	Clinic (Slaton)

***One student starts on Week 1, the other on Week 2 then they rotate.**
